I'm numb as a statue
I may have to beg, borrow or steal
Some feelings from you
So I can have some feelings too

I'm pale as a ghost
You know what I love about you
That's what I need the most
I'm gonna beg, borrow or steal
Some feelings from you
I'm gonna beg, borrow or steal
So I can have some feelings too

I don't care if it's superficial
You don't have to dig down deep
Just bring enough for the ritual
Get here before I fall asleep

Ain't nothing special
When the present meets the past
I've always taken care of business
I've paid my first and last
