Please stay
Please stay
Two words I've thought I'd never learn to say
Don't go away

Please stay
Don't leave me here
When so many things so hard to see are clear
I need you near to me

When there's nothing left
But you and me and the wind
We'll never know till we try
Will you stay with me to the end?
Please stay

To find the other side of goodbye

Please slay
Don't go away
Please stay Two words I've thought I'd never learn to
say
