[Intro: girl (RZA)]

David, David, David, David, David Banner

(2008, get that cake, hahaha

Bodododo, yo, yo)

[Chorus 2X: Jay-Z sample from "Dirt Off Your Shoulder"]

And I'm straight off the block, and I'm straight off the block

Lon, London, Japan, Lon, London, Japan

And I'm straight off the block, and I'm straight off the block

Lon, London, Japan, to the top of the pot

[RZA]

Who got the biggest dick? Who got the phattest whip?

Who got the baddest bitch? Who got the fullest clip?

Crib in Paris, France, plus in Maryland

In Baltimore, I bought the cabstand

Up in Burbank, the crib, I smiled at Hillary

Bless the valley with the hundred dollar chivalry

Got the UFC Bodog on my catalog

Mayor Koch Records, they the landlord

It's the Digitech, you ain't get a check

You better get a deal, better make a bet

Get ya money right, what an appetite

I see ya'll cats later, about to catch a flight

[Chorus 2X]

[RZA] (Beretta 9) {Monk}

J m'appelÃ©, Bobby Digital

Comme ta le vous, mademoiselle

La original, pouf e tranquille

Ai ont pope ordinal, ladite

Baobabs, Ã¢tre be on

Savait, let's get it on

Plus the yacht, we just docked

Yo Kinetic, son (yeah) let 'em flop

(A box of Belvedere), private stock

My Karachi jacket, Gucci watch

Yo, Rugged Monk, scotch on rocks  
{Aiyo, Bobby D, what's up with Goldielocks?}

[Chorus 2X]

[Outro: David Banner]

RZA, they ain't weren't expecting this one, baby  
Uh, yeah, it's ya boy David Banner, south side to the  
day I die

You knowwhatimtalkin' about?

They weren't expecting us to hook this one up,  
youknowwhatimtalkin' about?

N.Y.C., straight to Mississippi, you knowwhatimtalkin'  
about?

Get your money, pimping, it don't matter where you are  
You in London, you in Japan, youknowwhatimtalkin'  
about

You in Spain, you in Italy, wherever the hell you are  
Get up on your money, pimping, youknowwhatimtalkin'  
about?

And this beat is so fresh, watch this
