[Intro: girl (RZA)]

Bobby Bobby Bobby, Digi Digi Digi (we all that we got,
we all that we got)

(We all that we got, we all that we got)

Bobby Bobby Bobby, Digi Digi Digi (we all that we got,
we all that we got)

(We all that we got, we all that we got)

Bobby Bobby Bobby, Digi Digi Digi (we all that we got,
we all that we got)

(We all that we got, we all that we got)

Bobby Bobby Bobby, Digi Digi Digi (we all that we got,
we all that we got)

[RZA]

Aiyo, we keep these wizzes in the lab, held down like
hostages

Dime pieces, deep throat like ostriches

I'm vegetarian, don't eat swine sausages

You defeat the Killa Beez? Don't be proposterous

[Crisis]

Bobby, steal the show, let 'em know who got the shit

[RZA]

Zu, muthafucka, Wu, (yeah), we got this shit

[girl]

Bobby Bobby Bobby, Digi Digi Digi

[RZA]

E-lectricity, e-lectricity

Yeah, shells all in my clip, wizzes all on my dick

Leather wood, on the whip, rubbergrips on four fifths

Escape from jakes, if I'm traced, more paper to make

My team form the C.R.E.A.M., we exchange it for cake

Cherries on the top, I grind for the gwop

I'm grot, then I shine, then I rise to the top

Roll, with flurries of cops, money bulging in my socks

Loving my block, cuz we all that we got, got

Bobby Bobby Bobby, Digi Digi Digi

Oh yeah, ya'll know who is he, ya'll keep these wizzes

dizzy

[girl & Monk]

Bobby Bobby Bobby, Digi Digi Digi

[RZA]

E-lectricity, e-lectricity

[Chorus 2X: Crisis, Monk]

I love my hood and my block, cuz it's all that we got

On the grind for this gwop, give it all that we got
