(N. Neville)

There's a certain girl I've been in love with a long, long
time

What's her name?

I can't tell you

Ahh....

I can't reveal her name until she's mine

What's her name?

I can't tell you

Ahh...

I've tried to make her time and time again

Still we're introduced as nothing but friends

There's a certain girl I've been in love with a long, long
time

What's her name?

I can't tell you

Ahh....

There's a certain chick I've been sweet on since I met
her

What's her name?

I can't tell you

Ahh....

I can't reveal her name until I get her

What's her name?

I can't tell you

Ahh....

Someday I'm going to wake up and say

I'll do anything just to be your slave

There's a certain girl I've been in love with a long, long
time

What's her name?

I can't tell you

Ahh....

There's a certain girl I've been in love with a long, long
time

What's her name?

I can't tell you

Ahh....

I can't reveal her name until she's mine

What's her name?

I can't tell you

Ahh...
I've tried to make her time and time again
Still we're introduced as nothing but friends
There's a certain girl I've been in love with a long, long
time
What's her name?
I can't tell you
Ahh....
