Ain't life strange  
Ain't it funny  
Nothing matters much but love and money

Things don't work out the way you reckoned  
Money comes first  
And the love comes second

Cigarettes make the sun come up  
Whiskey makes the sun go down  
And in between  
We do a lot of standing around  
It's all I can do  
To make it through the day  
She wrapped it all in darkness  
And I can't find my way, and

I'm walking down the sidewalks of LA  
Wishing I had a warmer jacket  
And the leaves are falling down  
I'm just another man  
With an empty handed heart  
In an eee-mpty hearted town

It started out alright  
Ended up all wrong  
Shoulda done, shoulda done  
That's my song

Now the night is falling hard and fast  
All dressed up for the masquerade  
And the lights of the city stretch as far as the eye can  
see  
Look what wonders man has made x2

I'm walking down the sidewalks of LA  
Wishing I had a warmer jacket  
And the leaves are falling down  
I'm just another man  
With an empty handed heart  
In an eee-mpty hearted town

I'm walking down the sidewalks of LA  
Wishing I had a warmer jacket  
And something more to say
