I'm getting tired of you  
You're getting tired of me  
And it's the final act  
Of our little tragedy

So don't feign indignation, it's a, fait accompli  
You can screw everybody I've ever known  
But I still won't talk to you on the phone

It's a hopeless cause there's no use crying  
And I can die, you can die, we can die trying  
Thanks anyway, no use hangin' around  
You try to put the finishing touches on me

You say it's all my fault  
Who's keeping score?  
Some people like to be punished  
They keep coming back for more

But I'm sick and tired and my cock is sore  
You can screw everybody, I've ever known  
But I still won't talk to you on the phone

It's a hopeless cause there's no use crying  
And I can die, you can die, we can die trying  
Thanks anyway, no use hangin' around  
You try to put the finishing touches on me

You can screw everybody I've ever known  
But I still won't talk to you on the phone

It's a hopeless cause there's no use crying  
And I can die, you can die, we can die trying  
Thanks anyway, no use hangin' around  
You try to put the finishing touches on me

Thanks anyway  
Finishing touches, finishing touches on me  
Finishing touches, finishing touches on me  
Finishing touches, finishing touches on me  
Finishing touches, finishing touches on me
