written by Tillman Franks and Johnny Horton
Cedarwood Publishing/BMI

If you told me that you loved me
I would feel so proud
You let me hold you honey
I would holler out loud
I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man

Won't you let me, baby,
Just a kinda' hang around
I'll always love you honey
And I'll never let you down
I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man

I'd climb the highest mountain
If it reached up to the sky
To prove that I loved you
I would jump off and fly
I'd even swim the ocean
From shore to shore
To prove that I love you
Just a little bit more
Won't you let me, baby,
Just a kinda' hang around
I'll always love you honey
And I'll never let you down
I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man

If you told me that you loved me
I would feel so proud
If you'd let me hold you honey
I would holler out loud

I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man

I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man
Come to me, baby,
I'm a one woman man
