When I was a little boy, about the age of five  
My Mama told me, I'd be the greatest thing alive  
Now I'm a man, way past twenty-one  
Come on with me honey, we'll have lots of fun

I said "m, a, child, n", that represent man  
That indicate I'm grown  
But when I say "wang" that mean mannish boy

I see that woman, standin' in that light  
I'll make love to ya baby for three hours tight  
What another man?

And when I shoots, won't never miss  
Make love to your cousin, she can't resist  
I said, "m, a, child, n", that indicate "Man"  
When I say "wang", that mean mannish boy

I'm a man, Hoochi Koochi man  
Natural born, lover's man  
I'm a rollin' stone, I'm a rollin' stone  
I'm a rollin' stone, I'm a rollin' stone, I'm a rollin' stone

Well I'm going down to Kansas soon  
Bring back my second cousin, Little John the Conkeroo  
I say "m, a, child, n", that indicate I'm grown

I'm a man, Hoochi Koochi man  
Natural born, lover's man  
I'm a rollin' stone, I'm a rollin' stone, I'm a rollin' stone
