Please stay, please stay
Two words I've never thought
I'd learn to say
Don't go away, please stay

Don't leave me here
When so many things
So hard to see are clear
I need you near to me

Will you stay with me to the end?
When there's nothing left
But you and me and the wind
We'll never know till we try
To find the other side of goodbye
Oh, sweet darlin'

Will you stay with me to the end?
When there's nothing left
But you and me and the wind
We'll never know till we try
To find the other side of goodbye

Please stay, please stay
Two words I've never thought
I'd learn to say
Don't go away, please stay
Please stay
