I was working part time in the five and dime  
My boss was Mr. McGee, he told me several times  
That he didn't like my kind  
'Cause I was a bit too leisurely

I was always busy doing something close to nothing  
Different then the time before  
That's when I saw her, oh, I saw her  
She walked in through the out door, out door

She wore a raspberry beret  
The kind you find in a second hand store  
Raspberry beret  
When it was warm she didn't wear much more  
Raspberry beret, I think I love her

Built the way she was, she had the nerve to ask me  
If I meant to do her any harm  
So I put her on the back of my bike and we went riding  
Down by old man Johnson's farm

Now rainy days never turned me on  
But something about the way, the clouds and her  
mixed  
She wasn't too bright to know the way she kissed me  
I knew she knew how to get her kicks

She wore a raspberry beret  
The kind you find in a second hand store  
Raspberry beret  
When it was warm she didn't wear much more  
Raspberry beret, I think I love her

She wore a raspberry beret  
The kind you find in a second hand store  
Raspberry beret  
When it was warm she didn't wear much more  
Raspberry beret, I think I love her

She wore a raspberry beret  
The kind you find in a second hand store  
Raspberry beret

When it was warm she didn't wear much more  
Raspberry beret, I think I love her
