Got a glock in the bedside table  
Machine gun leaning by the bedroom door  
Kevlar vest in the closet  
Well, I wear it when I go to the store

Shadows at the window  
Rustlin' in the hedge  
Faces at the peephole  
Footsteps on the ledge

If you come callin'  
He'll be maulin' with intent to maim  
Don't knock on my door  
If you don't know my Rottweiler's name

Halogen lights in the driveway  
Guardian Angels livin' next door  
One hundred pounds of unfriendly persuasion  
Sleepin' on the Florida porch

Slackers in the market  
Bangers in the mall  
Skinheads on the golf course  
Hunting for their balls

If you come callin'  
He'll be maulin' with intent to maim  
Don't knock on my door  
If you don't know my Rottweiler's name

Well, he's dreamin' about an intruder or two  
And the promise of burglar blood  
He's yearnin' to chew on a gangster tattoo  
And to hear the proverbial sickening thud

Shadows at the window  
Rustlin' in the hedge  
Faces at the peephole  
Footsteps on the ledge

Well, if you come callin'  
He'll be maulin' with intent to maim

Don't knock on my door  
If you don't know my Rottweiler's name

If you come callin'  
He'll be maulin' with intent to maim  
Don't knock on my door  
If you don't know my Rottweiler's name
