All you guitar players
Scalding hot
And Zeke's going at it
Givin' it everything he's got
'Cause anything goes
Whatever it takes
I might pitch a fit
But I won't put on my brakes

Stand in the fire, stand in the fire,
Stand in the fire, stand in the fire, stand in the fire
Stand in the fire, stand in the fire, stand in the fire
Stand in the fire, stand in the fire, stand in the fire

I see a red-headed girl
In the red silk dress
Ya' know, I'm asking her to dance with me
She might say yes
Feel the heat
From the beat
Don't it burn you too?
And all I want to do
Is justrock you

Now stand in the fire, stand in the fire,
Stand in the fire, stand in the fire, stand in the fire
Stand in the fire, stand in the fire, stand in the fire
Stand in the fire, stand in the fire, stand in the fire

Stand . . . in the fire, stand in the fire
Stand . . . in the fire, stand in the fire Stand . . . in the
fire, stand in the fire
