Nuclear arms in the Middle East
Israel is attacking the Iraqis
The Syrians are mad at the Lebanese
And Baghdad does whatever she please

Looks like another threat
To world peace
For the envoy

Things got hot in El Salvador
CIA got caught and couldn't do no more
He's got diplomatic immunity
He's got a lethal weapon that nobody sees

Looks like another threat
To world peace
For the envoy
Send the envoy
Send the envoy

Whenever there's a crisis
The President sends his envoy in
Guns in Damascus
Oh, Jerusalem

Nuclear arms in the Middle East
Israel is attacking the Iraqis
The Syrians are mad at the Lebanese
And Baghdad do whatever she please

Looks like another threat
To world peace
For the envoy
Send the envoy
Send the envoy

Send the envoy
Send for me
Send for me
Send for me
Send for me
