Why stop now?  
Let's party for the rest of the night

Seven o'clock, eight o'clock, nine o'clock, ten  
You wanna go home? Why? Honey, when?  
We may never get this chance again  
Let's party for the rest of the night

Yeah yeah, oh yeah  
Let's party for the rest of the night  
Yeah yeah, oh yeah  
Let's party for the rest of the night

[Incomprehensible]

Why leave now?  
Let's party for the rest of the night

Eleven o'clock, twelve o'clock, one o'clock, two  
Me, tired? Well, boo-hoo  
I'm starting to fall in love with you  
Let's party for the rest of the night

Yeah yeah, oh yeah  
Let's party for the rest of the night  
Yeah yeah, oh yeah  
Let's party for the rest of the night  
[Incomprehensible]

Why slow down?  
Let's party for the rest of the night

Three o'clock, four o'clock, five o'clock, six  
Let's throw it all into the mix  
And open up our bag of tricks  
And party for the rest of the night  
Hit it

Oh oh, yeah yeah  
We'll party for the rest of the night  
Oh yeah, yeah yeah  
We'll party for the rest of the night

Hit it

We never had an issue  
We never had a fight  
Someone must be doing  
Something right

Yeah yeah, oh yeah  
Let's party for the rest of the night  
Yeah yeah, oh yeah  
Let's party for the rest of the night  
Hit me

Party for the rest of the night  
[Incomprehensible] morning, yeah  
[Incomprehensible] through the night  
Why stop? Why stop?
