I am wanted dead or alive
I'm wanted everywhere
I've got to survive
They say I am a violent man
Only trying to do the best I can, dig it

I am wanted dead or alive
Fifteen states I've got to survive
I am wanted dead or alive
I'm a new kind of man
I've got to survive
Running a long way

I am wanted dead or alive
I'm wanted everywhere
I've got to survive
Now all I'm trying to do
Is find a peaceful place

But they say I have an outlaw face
My Lord, I have an outlaw's face
I have an outlaw's face
They say I have an outlaw's face

My, my, yes, I have an outlaw's face
I have an outlaw's face, I have an outlaw's face
Oh my Lord, I have an outlaw's face
Sweet God Almighty, I have an outlaw's face
