You've seen him leanin' on the streetlight
Listenin' to some song inside
You've seen him standin' by the highway
Trying to hitch a ride

Well, they tried so hard to hold him
Heaven knows, how hard they tried
But he's made up his mind
He's the restless kind

He's the wild age
He's the wild age
He's the wild age

Wild age, it's the wild age
And the law can't stop 'em
No one can stop 'em
At the wild age

Mostly when the reckless years end
Something's left to save
Some of them keep runnin'
Till they run straight in their graves

To stay the wild age
Stay the wild age
Stay the wild age

Mostly when the reckless years end
Something's left to save
Some of them keep runnin'
Till they run straight in their graves

To stay the wild age
Wild age, wild age
Wild age, wild age
Wild age

Wild age, wild age
Wild age
Wild age, wild age
Wild age

Wild age, wild age
Wild age
Wild age, wild age
Wild age
