In Detroit, there's a man  
He's in charge of the action  
Put a gun in your face  
And he gets a reaction

Has a beeper and a car  
I was his driver  
Running drugs across the country  
I was the survivor

I'm innocent of anything  
I'm innocent but he's coming

Charlie's out of prison  
Charlie's out of prison  
Charlie's out of prison

In Detroit, they make guns  
Lot's a cars, lot's a criminals  
You get big, you get hard  
But you don't get too successful

Small time world  
Small time racket  
Push yourself to the brink  
Just to sell another packet

I'm innocent of anything  
I'm innocent but he's coming

Charlie's out of prison  
Charlie's out of prison  
Charlie's out of prison  
Charlie's out of prison

Broke doors, broke windows  
Broken reasons of my mind  
Weakened by, desperation  
The seduction of crime

Meaning of death, means nothing  
When you need to survive

Caught believing in my life  
A flash in eternal time

Yeah, yeah  
Charlie's out of prison
