I've been out all night
Think I got in a fight
There's a hole in my arm
My bitch is alarmed

I was at the bar
Where I'm a superstar
Livin' on free drinks
Hey man, your band stinks

That's the way we live
Downtown
Our feet never hit the
Ground, ground
Ground, ground, yeah

'Cause I hate my mother
I hate the world
I told my father
Some more bull

I hate the system
And I break the law
But I'm at home
When I'm downtown
Yeah, down

It's Saturday night
My boys are wound up tight
Slip on a skin
Put the sucker in

Five minutes to go
You got a Marlboro
Bust in some joint
Maybe, find some points

That's the way we live
Downtown
Our feet never hit the
Ground, ground
Ground, ground, yeah

'Cause I hate my mother
I hate the world
I told my father
Some more bull

I hate the system
And I break the law
But I'm at home
When I'm downtown, yeah

I came, I conquered
Escaped the slaughter
I live undaunted

Let me take you with me
I think you'll dig the scene

'Cause, ya hate your mother
Ya hate the world
Ya told your father
Some more bull

Ya hate the system
And break the law
But you'll be at home
Come on downtown

That's the way we live
Downtown
I'll be seeing you

Downtown, downtown
Downtown, downtown
Downtown
