population psych-out someone feed  
and death and sex to hide their dead world  
softly singing through memories of truth killing is our  
business  
cash for the cruel

drugs, god and the new republic  
drugs, god and the new republic

boards use capital gains lie on on our governments trust  
to pay off corporate mistakes statues of lincoln cry  
disciples  
eternal now 'm dead let the frequency phase out

drugs, god and the new republic  
drugs, god and the new republic  
drugs, god and the new republic  
drugs, god and the new republic

cosmic fire dropouts gasoline injectors sonic prophets  
screaming right on  
standing at the crossroads showered in cast stones the  
truth will be known  
as we kick the king right off his throne

'm the anti , anti king 'm the anti , anti king  
'm the anti , anti king 'm the anti , anti king
