You wanna live forever inside the beauty crawl
You wanna sin together inside a bathroom stall
The line of fire blazin' into desire run
We're all a shakin' anticipating fun

It's so frightening, carry a heavy load
Hits like lightning that's just the way it go, goes

When love is a drug, love drug
When love is a drug, love drug
When love is a drug, love drug

When love is a drug, love drug
While your love is a drug, love drug
When love is a drug, love drug
While your love is a drug, love drug, love

The walls start shakin', your heart goes boom boom
Your head is breakin' and time goes zoom zoom
It's [Incomprehensible]

It's time to get up and a start shakin'
'Cause all the babies last seen were wakin'
Desire beautiful inside it zero
'Cause mass appeal is our last hero

It's so frightening, carry a heavy load
Hits like lightning that's just the way it go, goes

When love is a drug, love drug
When love is a drug, love drug
When love is a drug, love drug

When love is a drug, love drug
While your love is a drug, love drug
When love is a drug, love drug
While your love is a drug, love drug, love

The walls start shakin', your heart goes boom boom
Your head is breakin' and time goes zoom zoom
Mortal life is fun, kill fast, die young
Super shine forever but you're not together

When love is a drug, love drug
When love is a drug, love drug
When love is a drug, love drug

When love is a drug, love drug
While your love is a drug, love drug
When love is a drug, love drug
While your love is a drug, love drug, love

I'm making it beautiful, I'm making it beautiful
I'm making it beautiful, I'm making it beautiful
I'm making it beautiful, I'm making it beautiful
