I want you, I want you  
I want you, I want you  
I want you, I want you  
I want you, I want you  
I want you, I want you, I want you

Wanna look outside ya, this is the image  
And it's a new smash hit in the village  
I seen you lookin' man, you need a lover  
A that's a creepin' up outta the gutter

You like your entertainment loud and live  
Well, let's crank it up in overdrive  
Hey baby, let's get high  
I wanna take you for a ride  
I'm tellin' you just how I feel  
Jet crusin' man, this is the deal

I wanna be your new boyfriend  
I don't care about anything  
I wanna be your new boyfriend  
I don't care about nothing, man

I'll ride with you into the sky  
I don't care about no other guy  
One thing I don't need to pretend  
I just wanna be your new boyfriend

Yeah, your new boyfriend  
Yeah, your new boyfriend  
Yeah, your new boyfriend  
That's what I said  
That's what I said

I'm a city-wide attraction that's a ready for some action  
I think your current lover's ugly and that's putting it  
mildly  
I think it's time to let him go, so we can turn into a  
porno  
Like gasoline, outta quarantine on the city scene  
I got what you need, yeah, look at me

I wanna be your new boyfriend  
I don't care about anything  
I wanna be your new boyfriend  
I don't care about nothing, man

I want you, I want some city action  
Out back yeah up on a trash can  
I don't give a divin'  
(Girl, you gotta you)

If you come back, we'll get batted  
The world sucks and I'm gonna smash it  
Yeah, I'm trashed again

Take a look baby, this is the image  
And it's a new smash hit in the village  
I seen you lookin' man you need a lover  
A that's a creepin' up outta the gutter  
I'm a rollin' in a loud 'n' live  
All I promise is a rocket ride

Meet me backstage for the power 'G'  
Forget the politics, it's rock 'n' roll  
Hey baby, let's get high  
I wanna take you for a ride  
I tellin' you just how I feel  
Jet cruisin' baby, this is the deal

I wanna be your new boyfriend  
I don't care about anything  
I wanna be your new boyfriend  
I don't care about nothing, man  
I want you
