Hey

Detroit got stupid, it was time to blow  
I can't dig people when they play control  
I rocked to Manhattan and what'd I see  
Some great big buildings that could set me free

The bars are open all night  
But that damn AIDS test got me so up tight  
I said that damn AIDS test got me so uptight

Pay your money to the landlord  
Donald Trump is just a money whore  
Under my bed there's a baseball bat  
Goddamn taxes gonna break my back

I'm in the wasteland, I'm in the wasteland  
I'm in the wasteland, I'm in the wasteland  
I'm in the wasteland, mama you know it's true  
No motherfucker's gonna tell me what to do  
I'm in the wasteland

The gangs are doin' drive-by's in L.A.  
Quinn is drillin' ink and we're gettin' laid  
Your shotgun cops are goin' to hell  
L.A.P.D's got an awful smell

In Hollywood the scene's all there  
Tommie's always got the drugs to go on a bender  
Every time I go I never wanna come back  
Breathe the summer air, you'll have a heart attack

You're in the wasteland, you're in the wasteland  
You're in the wasteland, you're in the wasteland  
You don't buy what the government sells  
The goddamn President can go to hell  
You're in the wasteland

Here we go

I can't live unless I'm free  
You've gotta run to stay with me

I move from town to town  
I'm livin' on the underground

Hey baby, come with me  
I meet a lot of good company  
To beat the system move around  
It's the only way to freedom today

Find your freedom today  
Find your freedom today  
Find your freedom today  
Find your freedom today

If I make bail, tell you where I'll go  
Gonna cross the border into Mexico  
Tequila's cheap as sunshine  
Wind up bangin' everythin' in sight  
I'm free and that's a fact  
Once I leave I ain't never comin' back

I'm in the wasteland, I'm in the wasteland  
I'm in the wasteland, I'm in the wasteland  
I'm in the wasteland, yeah, I'm in the wasteland, yeah  
I'm in the wasteland, yeah, I'm in the wasteland, yeah  
I'm in the wasteland
