detroit got stupid it was timeto blow I can't dig  
people when they play control  
I rocked to manhattan and what'd I see some  
great big buildings that could set me free

the bars are open all night but that damn aids test got  
me souptight  
I said that damn aids test got me so uptight pay your  
money to the landlord  
donald trump is just a money whore under my bed  
there's a baseball bat  
the goddamn taxes gonna break my back  
I'm in the wasteland I'm in the wasteland  
I'm in the wasteland I'm in the wasteland  
I'm in the wasteland, mama you know it's true  
no motherfucker's gonna tell me what to do  
I'm in the wasteland

the gangs are doing drive by's in l.a. quinn is  
drillin' ink and we're gettin' laid  
your shotgun cops are goin' to hell l.a.p.d.'s  
got an awful smell  
in hollywood the scene's all there tommies always  
got the drugs to go on a bender  
everytime I go I never wanna come back breathe the  
summer air, you'll have a heart attack

you're in the wasteland you're in the  
wasteland  
you're in the wasteland you're in the  
wasteland  
you don't buy what the government sells the  
goddamn president can go to hell  
you're in the wasteland

I can't live unless I'm free you've gotta  
run to stay with me  
I move from town to town I'm livin' on the  
underground  
hey baby come with me I meet a lot of good company  
to beat the system move around it's the only way  
to freedom today

find the freedom today if I make bail tell you where I go  
gonna cross the border into mexico tequila's  
cheap as sunshine  
wind up bangin' everything in sight I'm free  
and that's a fact  
once I leave I ain't never comin' back

I'm in the wasteland
