No more pain, I'm almost there  
I'm a cellophane pioneer

I'm ridin' hard I'm takin' off  
You look so pretty when you are near

M D M A  
Trippin' on ecstasy  
Trippin' on ecstasy  
Now, I'm free

My planet's dead and I'm the king  
I'm in love with everything

I'm losing weight, my mind's a wreck  
But I'm in touch with my feelings

M D M A  
Trippin' on ecstasy  
Trippin' on ecstasy  
I'm trippin' on ecstasy  
Trippin' on ecstasy  
Now I'm free, free, free  
No one can catch me

Look at me again, I can see again  
Look at me again, I can see again  
Look at me again, I can see again  
Look at me again, I can see again

Hit the mother lode, I drop two more hits  
I'm on a power drive

I don't get sick, I can touch the sky  
And no one knows, I'm alive

M D M A  
Trippin' on ecstasy  
Trippin' on ecstasy  
Trippin' on ecstasy  
Trippin' on ecstasy  
Now I'm free

Look at me again, I can see again  
I can see again, I can see again
