detroit got stupid it was timeto blow I can?  
dig people when they play control  
I rocked to manhattan and what'd I see some great big  
buildings  
that could set me free

the bars are open all night but that damn aids test got  
me soup tight  
I said that damn aids test got me so uptight pay your  
money to the land lord  
donald trump is just a money whore under my bed  
there's a baseball bat  
the goddamn taxes gonna break my back  
I'm in the wasteland I'm in the wasteland  
I'm in the wasteland I'm in the wasteland  
I'm in the wasteland, mama you know it's true  
no motherfucker's gonna tell me what to do I'm in the  
wasteland  
the gangs are doing drive by's in l.a. quinn is drillin' ink  
and we're gettin' laid  
your shotgun cops are goin' to hell l.a.p.d.'s got an  
awful smell  
in hollywood the scene's all there tommies always got  
the drugs to go on a bender  
everytime I go I never wanna come back breathe the  
summer air, you'll have a heart attack

you're in the wasteland you're in the wasteland  
you're in the wasteland you're in the wasteland

you don't buy what the government sells the goddamn  
president can go to hell  
you're in the wasteland

I can't live unless I'm free you've gotta run to stay with  
me

/]

I move from town to town I'm livin' on the underground  
hey baby come with me I meet a lot of good company  
to beat the system move around it's the only way to  
freedom today

find the freedom today if I make bail tell you where I go  
gonna cross the border into mexico tequila's cheap as  
sunshine  
wind up bangin' everything in sight I'm free and that's  
a fact  
once I leave I ain't never comin' back  
I'm in the wasteland
