Get Up'n Move!

S & K can make ya, yeah. Get Up'n Move!

Hold on tight as I let you fly way up high, be right by my side.
The critical danger, bodies pumpin', feet just frumpin', heartbreak thumpin'.
I feel something movin' me fast.
S & K gonna make it last.
Don't track us, the screamin' four, something more than just dance floor.
Men step back, feel phat tracks.
You'll get jacked, now how you like that?
It's brand new, whatcha gonna do when Sugar Daddy hits the groove?

Get Up'n Move! S & K can make ya, yeah. Get Up'n Move!

Get Up'n Move! S & K can make ya, yeah. Get Up'n Move!

Unbelievable the way I flow, don't need a band gotta kick it solo. Me and K, I mean K and I jammin' track we're gonna make you fly. It's brand new, whatcha gonna do when Sugar Daddy hits the groove?
