Stay, I wish I could stay
You could call in sick
We could makeout all day
Or maybe take the dog for a walk
Have a picnic by the water
Just there and talk
But not a word about the future

No I don't wanna go home
Wish I didn't have to go home

I guess I could miss my flight
Say my cab got stuck in traffic
Couldn't make it on time
But I got left behind

I wish I didn't have to go home
I wish I could stay
If just for a day
I wish I could stay

No I don't wanna go home
When I've left?
we'll both be alone
can't be closer than over the phone
but the worst part of it all
I don't know when I'll see you again
will I see you again?

No I don't wanna go home
I wish I didn't have to go home
