"On My Way Home"

If you feel like getting even I understand
I just wanna say "I'm sorry" things got out of hand
I only wanted you to like me that's how I am

Is it harder on your own
Is it hard to be someone
I've heard you're sinking like a stone

While I'm on my way home
I'm on my way home
And I've been for so long
I'm on my way home

If you feel like you've been cheated that's no surprise
But there were things back then that I did not realize
I came to understand that sometimes your feelings lie

Is it hard to be unknown
Is it dull to be alone
I've heard you're turning into stone
While I'm on my way home

Is it harder on your own
Is it hard to be someone
I've heard you're sinking like a stone
While I'm on my way home
