I hear the wind call your name
It calls me back home again
It sparks up the fire - a flame that still burns
Oh it's to you I'll always return

I still feel your breath on my skin
I hear your voice deep within
The sound of my lover - a feeling so strong
It's to you - I'll always belong

Now I know it's true
My every road leads to you
And in the hour of darkness darlin'
Your light gets me through

Wanna swim in your river - be warmed by your sun
Bathe in your waters - cuz you are the one

I can't stand the distance - I can't dream alone
I can't wait to see you -Ya I 'm on my way home

Oh I hear the wind across the plain
A sound so strong - that calls my name
It's wild like the river - it 's warm like the sun
Ya it's here - this is where I belong

Under the starry skies - where eagles have flown
This place is paradise - it 's the place I call home
The moon on the mountains
The whisper through the trees
The waves on the water
Let nothing come between this and me

Cuz everything I want - is everything that's here
And when we're all together - there's nothing to fear

I will always return - yes, I will always return
And wherever I wander - the one thing I've learned
It's to here - I will always...always return
