Money and power for the upper class
lessons not learned from the past
Poor class, middle class,
no class set up and framed
Old boy network playing their game

Hopeless nation, no future for me
Hopeless nation, no future for you
Hopeless nation, seconds to go
Hopeless nation, gonna die slow

All that money, all that crime
all the rich, all the time
It's all over the world
every government on this earth

All the money, all the crime
all the rich, all the time
It's all oer the world
every government on this earth
Hopeless nation, no future for me
Hopeless nation, no future for you
Hopeless nation, seconds to go
Hopeless nation, gonna die slow

Seconds to go
and we're all dying slow
Famine and war
hatred and death, and you think
your country is the best

Wake up and see reality
Wake up and see misery
Wake up and see death at the door
Wake up and see life no more
