There was a time when hunger was mine, you'd walk
the line.

You sowed the seed, your making us need, your
watching us bleed, you bastard!

We always felt you were a better friend, with your
riches and your smiles,

You helped me keep the wolves from the door,

You filled our heads so full of, Lies!

We always felt you were a better friend, with your riches
and your smiles,

You helped to keep the wolves from the door,

You filled our heads so full of, Lies!

Parasite!

Parasite!

Life was a ball and you took it all,

We took a fall,

You were the doubt

You won't bail us out, there's no use to shout, Your
dying!

We always felt you were a better friend, with your
riches and your smiles,

You helped to keep the wolves from the door,

You filled our heads so full of, Lies!

We always felt you were a better friend, with your
riches and your smiles,

You helped to keep the wolves from the door,

You filled our heads so full of, Lies!

Parasite!

A toffee for the kiddies, sugar and spice,

Just wait a minute fella, your anything but nice!

We always felt you were a better friend, with your
riches and your smiles,

You helped to keep the wolves from the door,

You filled our heads so full of, Lies,

[Repeat]

Parasite!

Parasite!

Parasite!
Parasite!
