Oi! Oi! Oi!
Oi! Oi! Oi!

Rebels till we die
can you hear our battle cry?
from the streets coming at you
and the warrior's fight is true

Oi! Oi! Oi!
Oi! Oi! Oi!

now years down the road
it's all taken its toll
black and blue, but ready to fight
in the streets every night

Oi! Oi! Oi!
Oi! Oi! Oi!

like a fire it still burns
but have you taken a wrong turn?
changed your hear, changed your fight!
and run like a coward in the night
can you see thought the lies they told?
to the devil they sold their souls
d'you believed their twisted ways?
but our roots are here to stay!

Oi! Oi! Oi!
Oi! Oi! Oi!

from a few groun thousands strong
and in our numbers you belong
like a wolf pack on the attack
going for the kill, no turning back

Rebels till we die
can you hear our battle cry?
From the streets coming at you
and the warrior's fight is true

Oi! Oi! Oi!

Oi! Oi! Oi!
Oi! Oi! Oi!
