"National Anthem"

We got an ocean.
We got an ocean.
We got an ocean where the sun comes up.
We got an ocean where the sun goes down as well.

In between 'em.
In between 'em.
In between 'em is where we belong.
Two hunnert millions strong.

We got Canada to the north of us.
We got Mexico to the south of us.
And in between 'em is where we belong.
Two hunnert millions strong.

Oh, my country.
Oh, my country.
Oh, my country 'tis of thee I sing this song.
Two hunnert millions strong.
