I keep a picture of you in my shoe
Every step that I take is on your face

It's not that I'm bitter or still holding on
It's just a reminder that your day will come around
What goes around...

I keep a picture of him at the gym
Every punch of the bag he gets a jab

It's not that I'm bitter or still holding on
It's just a reminder that his day will come around
What goes around...

Campbell's Cream O' Cuckold soup serves two
From the can straight to the bowl: serve cold

When all is forgotten and years have passed by
Who knows what might happen when a love left behind
Comes around
What goes around...
