[Hook - 3x]

Coming from the Westside

Cuz, you know how we do...

[Trae]

On the low cause hate, niggaz got me tipping a corner  
My black drop sitting high, like I was on marijuana  
Bitch it ain't nothing but the West, from the bed to the  
block

I been repping it twelve plus, and I be damned if I stop  
I'm a Ass and by the way it ain't just so I'm stuck in my  
ways

With a fuck you attitude, old school floating a maze  
But if it's drama don't get fly, cause I'll be floating  
them K's

To make your lifeline stop, and have you floating for  
days

(Southwest) is the home of the Bloods and Cuz, folks  
and thugs

Where niggaz swang the block for the bops, and  
spinning them dubs

And ask them hating niggaz who did, they know what it  
was

The West is well respected, respect it or get drug

[Hook - 4x]

[Boss]

I'm in a Screw cool Cutlass, with the casket seats  
On the Westside of the H, where the Assholes meet  
Better watch how you speak, cause Assholes keep big  
heat

Running blocks like a track meet, with heat seekers and  
skeet

See me out doing my thang, all navy blue strings  
H double O-V gang, doing my C thang

In a coupe cocked up on the corner, I got quarters  
I been doing my thang, I got speed weed and water  
Fuck around with Lil' Boss, you get shot beat and  
slaughtered

These niggaz don't even paper right, pockets so I ain't  
bother  
Make me go get the chopper, and cut niggaz up like  
barbers  
Busting at robbers, on 20 inch bravas for trying to rob  
us

[Hook - 4x]

[Jay'Ton]

I'm riding through the Southwest, sitting sideways  
Jamming on a Fat Pat, steady getting paid  
Run up on the slab, get greedy with the gauge  
A lot of niggaz mad, that 18 is my age  
Plus I got the Lac, with front back to the sides  
Diamonds on the roof, with six twelves when I ride  
I glide through the streets, like a fo' do' jet  
Plus I'm never ever seen, like a fo' do' Vette  
On the block of Westays, 7-8 double O  
I'll spin when I crawl, ten roll on the fo's  
Pop trunks get exposed, saying fuck you hoes  
Thirty karats in my grill, I spent a ten on those

[Hook - 6x]
