"Holy Moses"

Hey, How we breath And how we choke
The night is black Your heart is broke
Oh into shaves And into shards
We smash like glass We fall like stars

Leave it alone
Leave it alone
I know you're dangerous
I know you're dangerous
Oh, I know the broken-hearted sing 'Hallelujah'
I'll call you Holy Moses

You got no name You're just a number
You're still a stranger You got no shame
I watch you walking You look like smoke
It should be haunting But no one's watching

Leave me alone
Leave me alone
I know I'll pay for this
I know I'll pay for this
Even though you say I don't believe you
And I, I call you Holy Moses

I know, I know you're keeping all your secrets to
yourself
I know, I know you're holding onto mine as well
But you look like a dead man, Yeah you're all skin and
bones
There's nothing I can do for you now, Holy Moses oh...

You're still a stranger, You're on the make
You've got this fever You're such a snake
I hope you're happy It's such a shame
You wear the snakeskin I wear the blood yeah

Leave it alone
Leave it alone
I know you're dangerous
I know you're dangerous
Oh, I know the broken-hearted sing 'Hallelujah'

Everybody sing 'Hallelujah'
Even though I mean nothing to you
I call you Holy Moses
