It was a night like this forty million years ago
I lit a cigarette, picked up a monkey skull to go
The sun was spitting fire, the sky was blue as ice
I felt a little tired, so I watched 'Miami Vice'
And walked the dinosaur, I walked the dinosaur

Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur

Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur

I met you in a cave, you were painting buffalo
I said I'd be your slave, follow wherever you go
That night we split a rattlesnake and danced beneath
the stars
You fell asleep, I stayed awake and watched the
passing cars
And walked the dinosaur, I walked the dinosaur

Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur

Open the door, get on the floor
Everybody walk the dinosaur
Open the door, get on the floor
Everybody walk the dinosaur

One night I dreamed of New York
You and I roasting blue pork in the Statue of Liberty's
torch
Elvis landed in a rocket ship
Healed a couple of leapers and disappeared

But where was his beard?

A shadow from the sky much too big to be a bird
A screaming crashing noise louder than I've ever heard
It looked like two big silver trees that somehow learned
to soar
Suddenly a summer breeze and a mighty lion's roar
I killed the dinosaur, I killed the dinosaur

Open the door, get on the floor
Everybody kill the dinosaur
Open the door, get on the floor
Everybody kill the dinosaur

Open the door, get on the floor
Everybody kill the dinosaur
Open the door, get on the floor
Everybody kill the dinosaur

Open the door, get on the floor
Everybody kill the dinosaur
Open the door, get on the floor
Everybody kill the dinosaur

Open the door, get on the floor
Everybody kill the dinosaur
Open the door, get on the floor
Everybody kill the dinosaur
