When two cars crash you just pull them apart
But when lovers come together
They get tangled heart to heart
And nothing and no one can make them come unstuck
Oh, love can be bad luck
Love can be bad luck
When glass breaks you just sweep it away
But when lovers start to shatter
They keep breaking day by day
They pick up the pieces and try not to get cut
Oh, love can be bad luck
Love can be bad luck
Medicine won't cure the pain
It doesn't pay to pin the blame
It still will feel the same
Passion burns like any flame
Disillusion stakes it's claim
Those are the rules of the game
