Eddie Harold used a tape recorder  
When he had one of his girlfriends over  
He didn't want to miss a single scream  
His friends all laughed when he played it later  
You had to wonder, did he really hate her?  
Girls always made him nervous, that's to blame  
And makin' love was just a crazy game  
The woodwork squeaks and out come the freaks

In her apartment was a plastic altar  
She'd light a candle when her courage faltered  
Sometimes the world got a little hard to bear  
It wasn't easy living in the city  
She wasn't clever and she wasn't pretty  
She chanted in the night but no one cared  
The woodwork squeaks and out come the freaks

Freddie's wife became a topless dancer  
Had bondage parties with a Turkish bouncer  
She's been evicted, the police have got her car  
She tried to sell an antique shotgun  
She said she knows some crazy guy who wants one  
Her parents said "You're not our daughter, you're a  
whore.  
It's over and you don't live here anymore."  
The woodwork squeaks and out come the freaks

The woodwork squeaks and out come the freaks  
The woodwork squeaks and  
"Strangers In The Night"  
The woodwork squeaks and  
"Papa's Got A Brand New Bag"  
The woodwork squeaks and  
"The Shadow Of Your Smile"  
The woodwork squeaks and  
"Take The Last Train To Clarksville"  
The woodwork squeaks and out come the freaks
