Wheel me out
Wheel me out
Wheel me out
Wheel me out

I'm lonely on these wheels
I'm really rude to you
I'm the former scientist, now on wheels

Then I was discouraged by you
You were who'd never push the wheels
You did it to him and I'm next

Then I was discouraged by you
Then I was discouraged by you
You did it to him and I'm next
And I'm next, you, you did, you did it

Then I was discouraged by you
I am really into mood today
Then I was discouraged by you
Discouraged by you, you never pushed the wheels

You did it to him
You did it to him
You did it to him
And I'm next
Now I'm next

When I'm next
And I'm next
And I'm next
And I'm next
And I'm next

Wheel me out, wheel me out
Wheel me out, wheel me out
Wheel me out, wheel me out
Wheel me out, wheel me out

Out, out
Out, out

Out, out
Out, out

Wheel me out, wheel me out
Wheel me out, wheel me out
Wheel me out, wheel me out
Wheel me out
