What do you say to the dead
Will you forgive me for living
Can't believe the things that they said
Wonderful day for a killing
It's killing me
What do they do with your soul
Is it just lying there busted
When did you lose all control
Is there someone to be trusted
With my mind
Oh there's insufficient evidence
Of what just might come after
But sometimes out of nowhere
There's demented sounds of laughter
Are we all haunted by
The ghost - imagination
It just can't be
I've seen them there
Howling at the moon
Is it just me
Or does somebody else believe this

Well I'm not alone

And I'm not afraid

There's just one way to see

Chorus:

After all etc.

What do you say to the dead

Is there a place where it's burning

It says in a book I once read

Yes there's a chance of returning

Turn to me

The fundamental principles

Say nothing of forever

But those are voices that I hear

Or I'm just not so clever

It can't be me

I know somebody else believes this

Well I'm not alone

I'm not afraid

Just one way to see

After all etc.
