We Are The Star Demons, Reaching Out Yeah,

We Want To Touch Your World,

We Are the Dream Makers, Pure And Sweet Yeah,

We're Gonna Change Your World.

Chorus:

When You're Tired Of Giving Reasons

And Freedom Fighting Freedom

If You're Searching For An Answer,

We Can Bring You Back To Eden.

There's No Need For Pain And Anger,

The Power Of Peace Can Destroy The Gun.

Leave Behind Man's Vanity Yeah,

And Living Life On The Run.

Chorus

Is God Forgiving, Is This The Final Warning,

Watching As The Future Turns.

Science Fiction, Real Life Addiction.

The Human Race Will Never Learn.

Chorus
