Yell with the wind, though the wind won't help you fly at
all

your back's to the wall

Chain the sun, and it tears away and it breaks you as
you run,

you run, you run!

Behind the smile, there's danger and a promise to be
told:

you'll never get old - ha!

Life's fantasy - to be locked away and still to think
you're free

you're free, you're free!

So live for today

Tomorrow never comes

Die young, die young

can't you see the writing on the wall?

Die young, gonna die young

someone stopped the fall

Yell with the wind, though the wind won't help you fly at
all

your back's to the wall

Chain the sun, and it tears away and it breaks you as
you run,

you run, you run!

So live for today

Tomorrow never comes

Die young, young!

Die young, die young!

Die young, die young, young!

Die young, die young, die young, die young, die young
