No one said it had to be this way

Why are we the victims of their

Final word

Dying world is killing us so slowly

I believe no god may save us now

Can't you see what I see

Sinners say your prayers tonite

Your judgement day is here

Child tomorrow will die, not even

Born jesus our questions

He never seems to hear

Dying for the answers may be

The price we pay, to find the

Key to our lives

Is there a heaven is there

A hell

Who's this god, tell me there's

No god above, why

We chose what lord, deep

Within our souls

He's not one thing

We are his spirit

We could save this world

From destruction day

Can't you see what I see

You and I victims of

Their word

As the master of power
Try to poison our world
Greed money taken over
Their souls, you're
Just mechanical brains
Politicians don't know
Just don't know
We can change this world we
Live in, don't let it die
