"Heart Like A Wheel"

In the days of confusion
You've turned angry and cold
You say it's an ilusion
There's no fire in your soul
Say you don't love me
Say you don't care
But don't leave me standing here
Your hear's like a wheel
Just waiting to roll
It's longing for freedom
To get out on the road
You're hungry for something
That you may never find
So many reasons
Your love has made you blind
You say you don't love me
You say you don't care
So don't leave me standing here
Don't leave me standing here
You say you don't love me
You say you don't care

Don't leave me

Don't leave me standing here

Life ain't been easy

Full of passion and pain

Told me no reason

Why I was to blame

Don't leave me standing

Don't leave me standing

Don't leave me standing

On my own
