"Hole In The Sky"

I'm looking through a hole in the sky

I'm seeing nowhere through the eyes of a lie

I'm getting closer to the end of the line

I'm living easy where the sun doesn't shine

I'm living in a room without any view

I'm living free because the rent's never due

The synonyms of all the things that I've said

Are just the riddles that are built in my head

Hole in the sky, take me to heaven

Window in time, through it I fly

I've seen the stars disappear in the sun

The shooting's easy if you've got the right gun

And even though I'm sitting waiting for Mars

I don't believe there's any future in cause

Hole in the sky, take me to heaven

Window in time, through it I fly

Yeah

I've watched the dogs of war enjoying their feast

I've seen the western world go down in the east

The food of love became the greed of our time

But now I'm living on the profits of pride
