"In Memory"

Visit "[In Memory](#)" on MotoLyrics.com

No one told me the way I should feel

You left an aching heart

Lost and lonely, the feeling goes on

You were the one friend I had

You gave me so much love

Now the tears remind me you're gone

It still haunts me there's a silence

Where you used to be

It still haunts me

Just an empty space in history

It still haunts me

But life must go on, on and on

It's still haunting me

It's still haunting me

Haunting me

Haunting me
