"Jerusalem"

The highway's screamin', callin' out your name

Cause every road that you travel on

there's a price to pay

A thousand eyes are starin'

but the blind still lead the blind

Where will you turn if it all goes wrong

and you're on the run

Jerusalem?

You say you walked through the valley

you say you've seen the signs

Echoes call you from a distant age

Or is it in your mind?

Then a thousand souls rise from the sea

holding up the sun

And an angel cries 'beware your lies'

It could be the end of it all

Where will you turn if it all goes wrong

and you're on the run

Jerusalem?

Everybody knows your name, every road leads to
anger

Will it always be the same, is there reason to return?

Where will you turn if it all goes wrong

and you're on the run

Jerusalem?

When an angel cries - Jerusalem

Better watch your lies - Jerusalem

When an angel cries - Jerusalem
