There's a place just south of Witches' Valley

where they say the wind won't blow

and they only speak in whispers of her name

There's a lady they say who feeds the darkness

it eats right from her hand

With a crying shout she'll search you out

and freeze you where you stand

Lady Evil, evil

she's a magical, mystical woman

Lady Evil, evil in my mind

She's queen of the night

all right!

In a place just south of Witches' Valley

where they say the rain won't fall

Thunder cracks the sky, it makes you bleed, yeah

There's a lady they say who needs the darkness

she can't face the light

with an awful shout, she'll find you out

and have you for the night

Lady Evil, evil

she's a magical, mystical woman

Lady Evil, evil on my mind
She's queen of the night
So if you ever get to Witches' Valley
Don't dream or close your eyes
and never trust your shadow in the dark
'Cause there's a lady I know who takes your vision
and turns it all around
the things you see are what to be, lost and never found
Lady Evil, evil
she's a magical, mystical woman
Lady Evil, evil on my mind
She's queen of the night
She's the queen of sin
Look out, she'll pull you in!
Lady wonder
